

REACH & FREQUENCY

The consistency delivered by outdoor advertising means a higher percentage of target audience reached & a greater number of exposure opportunities as well.

LOWEST COST

Outdoor advertising guarantees a lower cost-per-thousand (cpm) than any other media. While outdoor cpm's are about one dollar, cpm's for all other forms of media are much higher.

CONTINUOUS MESSAGE

Outdoor advertising provides consistent exposure twenty four hours a day, seven days a week, three hundred sixty five days a year.

FLEXIBILITY

Advances in technology allow for frequent creative changes to all outdoor media formats.

Advertisers create dominance & build an image of success through the long term nature of permanent bulletin programs.

Provide constant exposure within a specific geographic area.

Effective directional copy allows advertisers to sell products & services immediatly to passing motorists.

Rotary bulletins are moved every 30-60 days to provide broad market coverage throughout the year.

Advertising messages remain fresh, because bulletins are exposed to new segments of the market.

Excellent visibility and awareness are achieved by utilizing extensions, cutouts and embellishments.
